

Inventory Bulk Change Items – Added Category and Department

The screenshot shows the 'Bulk Change Items' window. At the top, there are search and filter options: 'Search:', 'Date Created from:' (with 'to:'), 'Status:', and 'Supplier:'. A 'Search' button and 'Max Items: 100' are also present. Below these are several action buttons: 'Select All', 'Select None', 'Make Selected Active', 'Make Selected Discontinued', 'Make Selected Phase Out', and 'Delete Selected Items'. Two buttons, 'Change Category' and 'Change Department', are highlighted with a red box. Each has a dropdown menu and a 'GO' button. The main area is a table with columns: 'Sel...', 'Item Name', 'Item Description', 'Priority Supplier', 'Date Created', 'Category', and 'Department'. The table contains 20 rows of items, including 'Seat', 'Handle Bars', 'Pedals', 'Chair', 'Hand Gun', 'Bullets', 'Holster', '2ghz Motherboard', '40GB Hard Disk', '17" Wheels', 'Computer Kit', and various 'Danger T Shirt' items with different colors and sizes. The 'Category' and 'Department' columns are currently empty for most items.
